

DEAR COLLEAGUES!

We invite you to participate

In the XVI International Scientific and Practical Conference

«International Conference on Aviation Engineering»

July 3 – July 7, 2023.

Conference Venue: Russia, Irkutsk, Lermontov St., 83, Irkutsk National Research Technical University.

Organizers: Irkutsk National Research Technical University, Irkutsk Aviation Plant – a branch of JSC Irkut Corporation, Belarusian-Russian University, Institute for System Dynamics and Control Theory of Siberian Branch of Russian Academy of Sciences, Kazan National Research Technical University named after A. N. Tupolev, Komsomolsk-na-Amure State University, Union of Mechanical Engineers of Russia.

The purpose of the conference is to summarize the results of scientific research, exchange practical experience in the interests of developing advanced designs and technologies of aircraft and mechanical engineering, establish and develop scientific, technical and business contacts with Russian scientists, scientific and educational organizations, developers, manufacturers and users of products and technologies of aircraft engineering complex, as well as improving the system of personnel training for enterprises of the aircraft engineering complex.

The conference's schedule contains multiple workshops, best articles of which will be published in the leading peer-reviewed science journals that are part of the list of periodicals approved by HAK (Higher Attestation Commission):

№	Conference Workshop	Title of a journal for articles' publication
1	Mechanical Engineering	iPolytech Journal (<i>Irkutsk National Research Technical University</i>)
2	Machine Dynamics	Systems. Methods. Technologies (<i>Bratsk State University</i>)
3	Materials Science and Additive Technologies	Strengthening Technologies and Coatings (<i>Innovative Mashinostroenie Publishing, Moscow</i>)
4	Aircraft Engineering and Operation of Aviation Equipment	Aviatsionnaya Tekhnika (<i>Kazan National Research Technical University named after A. N. Tupolev</i>)

In addition, all articles approved by the editorial committee will be published in a separate volume of conference proceedings indexed at the RISC (Russian Index of Scientific Citation).

The languages of the conference are Russian and English. Simultaneous translation will only be available for online participants.

The detailed information and registration is available at: <https://aviaconf.ru>

Participants and guests of the conference will also be able to take part in extra events: Excursion to the IAP, sightseeing tour of Irkutsk, a trip to Lake Baikal.

For any additional information, please contact the organizing committee:
